days are planned

- Summer play scheme – advertising is out, bookings started this week. All going well.

CRUNCH:

- Club is running smoothly with no major issues. We are working with some Duke of Edinburgh students to fill the gap when we lose some of our peer mentors to university in September.
- Level 1 youth work training to be repeated shortly for new staff / volunteers.
- Around 15 young people from CRUNCH will be taking part in the Heritage Lottery Fund project in partnership with NIE Theatre company and the Norris Museum.
- Boxing Club – the funds are now in and we hope to launch in Sept 2019

Toddler Time:

The advertising about date moves worked well and we had just as many attending. The sessions continue to be well received. Parents actually want sessions more often. I have appealed for more volunteers to make this happen.
